THE ULTIMATE JAZZ LOVERS SMALL SHIP CRUISE

YOUR HOSTS

Jose Rizo was born in Guadalajara, Mexico and raised in Oxnard, California. He played trumpet in high school, but it was not until he was a student at U.C. Santa Barbara that he developed his passion for jazz. In the late 70's, Jose was the founder of "Radio Chicano", a student and community broadcasting organization based on the Santa Barbara campus at KCSB, where he served as program director for two years. His Sunday night show at KCSB was called "Barrio Salsoul", where he explored latin-jazz music and salsa. Rizo began hosting "Jazz on the Latin Side" on KLON (now KJazz) in early 1990. He was intricately involved on KLON's "Latin Jazz Club Caravans" and served as a member of the Grammy's Screening committee for Latin Jazz. He has been the artistic director of the Luckman Fine Arts Latin Jazz Concert Series and involved in the "Central Avenue Jazz Festival" since its inception.

Matthew Brumley is the co-founder of Earthbound Expeditions and has been leading and creating adventures worldwide for 25 plus years. After completing his undergraduate studies at the universities of Copenhagen and Moscow, he went on to attend the graduate program at the London School of economics. He has lived in Copenhagen, Paris, London, Tel Aviv and San Jose, Costa Rica. Listen to Matthew's travel segment *Going Places* which is aired weekly on KNKX – NPR

YOUR JAZZ JOURNEY BEGINS

JULY 8: DEPART USA

JULY 9: ARRIVE IN GENEVA

Bienvenu à Genève! Those on the group flight will be privately transferred by coach to the comfy hotel and have time to stretch their legs before joining the group for a welcome and orientation dinner hosted by Jose Rizo and your Earthbound Expeditions guide, Matthew Brumley. Sleep in Lausanne.

JULY 10 & 11: MONTREUX JAZZ FESTIVAL

JULY 12: LYON AND VIENNE

Founded by the Romans, Lyon is the third largest city in France, a UNESCO heritage site and a vibrant place to visit with the well-deserved title of the gastronomic capital of France. It has a 2000 year history and possesses a dynamic economic, industrial and cultural heritage. After a private walking tour with a local expert, drive to Vienne. This thriving

ing city was transformed into a Roman colony in 47 BCE under Julius Caesar, due to its ideal location along the Rhône river. There remain some impressive Roman ruins in Vienne, including the Roman arena where some of the jazz festival concerts take place. Enjoy a Welcome Aboard dinner and anyone interested can head to the Vienne Jazz Festival. Sleep on board the *Amadeus Provence*.

JULY 13: CRUISE TO AVIGNON

Turn your smiles to the sun today as you enjoy a scenic sail down the Rhône, along which there will be wine-tasting, Roman ruin walking and toe-tapping music. We arrive in Avignon in time to enjoy dinner on board and the energetic can head out to the Avignon Festival of Contemporary Performing Arts tonight. Sleep on board.

JULY 14: AVIGNON

Joyeux 14 juillet! It's Bastille Day and market day in Avignon. Enjoy the lively and festive atmosphere before departing for an excursion to the 2,000 year old Pont du Gard. This Roman aqueduct, considered to be the best preserved antiquity in Europe is a stunning feat of Roman engineering. Built without mortar, the massive stones were perfectly carved and placed to staunchly survive centuries of floods, plagues, wars, and humankind. It is an unbelievable legacy of the Romans and a sight to behold. We'll re-board the ship in time to dine and dance "sous le Pont d'Avignon" until we depart! Sleep on board.

JULY 15: ARLES—THE "LITTLE ROME OF GAUL"

Arles is Provence at its quintessential best: filled with Roman ruins that are still used today, with shops displaying the traditional Provençal fabrics and wares such as herbes de Provence, honey, lavender and soap. Arles has also become quite well known for the visual arts: the Musée Réattu contains many of Picasso's sketches, there are year-round photography expositions and galleries and the Van Gogh Foundation, featuring mostly modern works. Head into the scenic countryside to the delightful town of St Rémy. Stroll the village, then enjoy a walk around the grounds of the peaceful St Paul Mausole, a veritable masterpiece of Provençal Romanesque art, built in the neighborhood of the Gallo-Roman site of Glanum. This is the famous asylum where Vincent Van Gogh spent time resting and painting, and is still a psychiatric institution today, which encourages therapy through art. You may glimpse some irises and other frequent subjects of Van Gogh's paintings on the grounds here. Finally, stop to taste some of the wonderfully aromatic wines of this region before heading back to Arles to board the ship. Sleep on board.

JULY 17: VIVIERS

When disembarking at Viviers, you have the impression of entering a village where time has stood still. Boasting the oldest cathedral in France that's still in use, along with impressive examples of Renaissance and 18C architecture, Viviers is a lovely stop for pondering the illustrious past. TERMS & CONDITIONS

Health Matters: It is the responsibility of each guest to be aware of their physical abilities or limitations, and to be in sufficient good health to undertake the trip. To make the most of your journey and participate in the various planned group activities, you should be able to be on your feet and walk unassisted for two to three hours (often over uneven cobblestones or pathways) with frequent standing. If you have questions about the physical requirements for your journey, please email or call our travel office. Any preexisting physical, mental, or emotional disability that may require attention must be reported in writing prior to the beginning of the journey. Although it is not mandatory to participate in every planned and included group activity, not doing so isn't cause for a refund. For those desiring additional exercise, our trips allow free time to explore at your own pace. On boats, planes, ships and ferries, guests will need to be able to maneuver unassisted up and down gangways, stairs and in between decks. Smokers may smoke outside and downwind of the group.

Group Size: We pride ourselves on providing a small, shared group experience. However, to ensure the departure of an expedition at the lowest price, Earthbound Expeditions has at times found it necessary to overbook a trip in order to anticipate the possibility of numerous last minute individual cancellations and/or a declining US dollar. River ships, hosted and private journeys may be larger than other trips. By doing this we are able to eliminate surcharges.

Tippling: Savvy travelers know that tipping is expected in most parts of the world, though never knowing when and how much can become a source of stress. To spare our guests hassle and anxiety, Earthbound Expeditions has included all gratuities for guides, drivers, dining room servers and local specialists on nearly all of our journeys. Some travelers like to reward outstanding service with an additional tip, gift or card. Gratuities for hotel staff, boat crew and those serving you while not with the group are not included. Note: Gratuities may not be included on private or hosted trips. Please refer to your specific itinerary for details.

Travel Insurance: Earthbound Expeditions strongly encourages the purchase of Travel Insurance Coverage. We include information on trip insurance in your deposit information. It is important to check with your medical insurance provider to understand your medical benefits and coverage while traveling abroad. Please read our cancellation policy carefully in order to avoid incurring a costly penalty.

Air Travel: Taxes and fuel surcharges are subject to change until ticketed and are included in the air price quote. Please note that Earthbound Expeditions acts only as an agent for airlines and is restricted by their respective policies. A minimum of ten passengers must travel together on group flights. The industry standard deadline for securing group space is 90 days prior to departure. In some cases, when the bare minimum of ten passengers does not materialize by this deadline, Earthbound will offer a competitive alternative and will assist passengers in booking their flights. A deviation fee may apply if you have booked the group flight, but are returning on a different date. Earthbound Expeditions is not responsible for route changes and flight delays. Airline group contract rates may require payment by check and/or an additional deposit. Please read the airline deposit schedule carefully, as in most cases they are not refundable. **NOTE: Earthbound Expeditions does not accept liability incurred by the purchase of individual non-refundable airline tickets.** It is for this reason we strongly recommend purchasing refundable airline tickets or including the cost of the ticket in your travel insurance coverage. Earthbound staff is unable to assist travelers with mileage award tickets.

Solo Travelers and Single Accommodations: Single accommodations may be requested by paying a single supplement comfort fee; these are limited and based on availability. For those willing to share, Earthbound Expeditions will assist in finding a same-gender roommate, and if one is found, the Single Supplement is waived. If a roommate cannot be found, guests will be asked to pay the Single Supplement comfort fee.

Discounts: All Alumni of Earthbound Expeditions will receive \$100 off the published journey price (private trips may be excluded). If Earthbound Expeditions has other discounts available, participants may choose the greatest available discount. Most of our travel discounts may not be combined (see below for one exception) and are applied to the land portion only.

Refer a friend and Save! Refer a friend and save an additional \$75 for each person new to Earthbound who travels with you on an Earthbound Expedition. "Refer a friend" discounts may be combined with alumni discounts.

Traveling with Children: With the exception of our adventures to Costa Rica, Earthbound Expedition journeys have been designed for the active, mature adult. Most of our journeys include cooking classes, wine tastings, concerts and late evenings out which are not suitable for children under 12. If you have questions about a specific journey, please telephone our travel office.

Fine Print: Earthbound Expeditions Inc. acts only as an agent for the supplier with respect to transportation and hotels and exercises every care possible. However, we can assume no liability for injury, damage, delay, loss, accident or irregularity in connection with the services of any airplane, ship, motor-coach, train or other conveyance used in carrying out the arrangements of the journey. We cannot accept responsibility for losses or additional expenses due to delay or changes in air or other services, sickness, weather, strike, war, quarantine, acts of God or other causes beyond our control. All such losses and expenses will have to be borne by the passenger, as journey rates provide for arrangements only for the time stated. All published itineraries are subject to change, which would not be cause for a refund. We also reserve the right to amend typos and misprints in pricing and other trip information. The right is reserved to cancel the journey prior to departure, in which case the entire payment will be refunded without further obligation on our part. We also reserve the right to decline to accept or to retain any person as a member of the journey, or to require a participant to withdraw from the journey at their own expense when such an action is determined by journey staff to be in the best interest of the participant's health and safety, and that of the group in general. No refund will be made for the unused portion of any journey. Earthbound Expeditions does not accept liability incurred by the purchase of a non refundable airline ticket.

Pricing: In the event that there are fewer than the minimum participants listed in your itinerary, you will be offered a small group comfort charge to ensure that the journey departs as scheduled. Former guests have greatly appreciated the benefits of traveling

with a smaller group. Earthbound staff or hosts are not included in the number of tour participants. Please refer to your detailed itinerary for pricing information specific to your journey. Although no changes in the price of your trip are expected, Earthbound reserves the right to add a supplement or to lower the trip price due to unexpected currency fluctuations of plus or minus 5% and/or spikes in fuel prices.

Photos and comments: Please note that Earthbound Expeditions may use any film likenesses taken of a guest and any of their written comments made while on an EB tour for future marketing.

Cruise and Select Custom Journeys Reservations and Deposits: A per person deposit of \$750 is needed to confirm your space on a cruise. We prefer payment to be made by check, but we also accept Visa, MasterCard or American Express. You can make your secure credit card deposit online, by phone or by mail. Once the deposit is processed, a deposit packet is sent with pertinent journey details. Trips which include barges, boats and/or flights may require an additional deposit. Round-trip group airfare, when offered on your itinerary, requires an additional deposit of \$200.

Progress and Final Payment for Cruises and Select Custom Journeys: Following the deposit, an additional payment of \$1500 will be due approximately five months in advance and final payment is due 90-days prior to departure. Payments are non-refundable and guests are strongly urged to purchase travel insurance.

Cancellations River Cruise: Cancellations received within 30-days of deposit incur a penalty of \$300 per person. Deposits are non-refundable if canceled outside of 30-days from date of deposit.

No refunds are made for cancellations after the non-refundable deposit date. It is for this reason we strongly encourage the purchase of Travel Insurance at the same time you reserve your journey with us. Please refer to your specific journey details, especially private and hosted journeys, as policies may differ.

Advanced, Canceled or Delayed Sailing for Cruises: Please note that cruise schedules and tour activities can be subject to change due to changes in water levels, port accessibility, weather, labor disputes or for any other reason whatsoever. The Owner or Operator of the cruise vessel may, at any time, cancel, advance or postpone any scheduled tour and may, but is not obliged to, substitute another vessel or itinerary, and it shall not be liable for any loss whatsoever to passengers by reason of any such cancellation, advancement or postponement. We at Earthbound Expeditions Inc. will do our best to provide equal or better accommodation or activities in such situations. However, Earthbound Expeditions reserves the right to withdraw and/or cancel a tour or to make changes in the itinerary and hotel accommodations whenever, in its sole judgment, or in the judgment of the vessel owner or operator, conditions warrant it. We strongly recommend purchasing travel insurance for all international journeys.

Concerts, Festivals and Events: If (for any reason) the organizers of a scheduled concert, festival or event cancel or postpone a planned activity with little or no notice, Earthbound Expeditions will do its utmost to secure a similar event or secure another concert(s). Strikes, unscheduled delays, lack of funds and acts of God are beyond the control of Earthbound Expeditions. Cancellation of an event, festival or concert is not cause for refund.

Hosted Journeys: If a host or special guest is unable to attend as planned, Earthbound Expeditions will do its utmost to find another host who has similar interests, talents and expertise. The inability of a host to participate in a tour is not grounds for a full or partial refund.

Luggage: You should be able to comfortably manage your luggage over short distances. Porters are generally available to assist you. Some of the castles, hotels and country inns we utilize do not have porters, but most of our lodgings are equipped with elevators. The key is not to over-pack.
